## Green Living

This is your chance to embark on a great adventure that will enable you to use Earth's limited resources with greater care. It promises to be an exciting, challenging and meaningful journey with friends and neighbors. You'll learn about an effective six-step program to create an environmentally sustainable lifestyle.

Due to a gift,  
the sessions and book  
are **FREE** to the public.  
A goodwill donation  
is always welcome!

**February 20, 27 and  
March 6 & 20, 2013  
7:00-8:30 p.m.**

**Urban Ecology Center, Washington Park  
1859 N. 40th St., Milwaukee, Wisconsin**
